Thank you for joining us as a speaker at the upcoming Association of Financial Professionals Greater Southern California Treasury Summit (#AFPGSC) conference, taking place on **Wednesday, October 21, 2026**, at the **Marriott in Long Beach, California**.

We're thrilled to have you on the agenda and know your insights will bring significant value to our attendees. To help ensure a smooth and impactful experience, we ask that all speakers review and follow the guidelines below.

Know Your Audience: #AFPGSC draws professionals from diverse industries, government sectors, and academia. Please include enough background and context to make your content accessible to attendees who may not be specialists in your area. Presentations should highlight key concepts, offer different perspectives, and provide practical takeaways to enhance professional effectiveness.

Presentation Format & Engagement: We encourage a mix of "show" and "tell." Visuals should be clear, professional, and readable from the back of large rooms. Speaking to your slides—rather than reading from them—helps create a more engaging experience. If you're using a traditional slide deck, please use the official **#AFPGSC widescreen (16:9) PowerPoint template**, which will be provided.

Presentation Materials Due: **Please submit your final presentation by Monday, October 19**.
Materials should be in the required PowerPoint template format. We also welcome supporting items such as white papers, research documents, or relevant links — these may be made available to attendees via our website.

Timing & Q&A: Refer to your welcome email for your assigned session time. Be sure to allow time for audience questions, either during or at the end of your presentation. For clarity, please repeat any audience questions before answering them.

Non-Commercial Policy: #AFPGSC is a non-commercial forum. Presentations must avoid brand names, product endorsements, or promotional content. Speakers may not use the stage to promote their own products, services, employers, or clients.

Content Integrity: By confirming your participation, you affirm that your presentation does not infringe upon any copyright, trademark, patent, or other intellectual property rights.

Professional Conduct: Speakers are expected to maintain a respectful and inclusive tone. Humor or remarks that may be seen as disparaging or discriminatory toward any individual or group are not appropriate.

Attire: Business casual to business formal is appropriate for the symposium. We recommend that speakers wear professional business attire during their presentation.

Emergencies & Cancellations: If you are unable to present due to an emergency, please notify our Conference Director, Jennifer Saliba, as soon as possible at **(503) 481-3331** or **jennifer@consultrhino.com**. If possible, we appreciate your assistance in identifying a qualified substitute

Thank you again for agreeing to speak at the #AFPGSC. We are eagerly anticipating your presentation!
